Find Assignment Grades

You can view your Assignment grades and feedback from your *My Grades* page. Assignments aren't graded automatically. Your instructor must grade each assignment.

1. Click **My Grades** on the course menu.

Note: If there is no My Grades link on the course menu, you can also access it on the [Tools](#) page.

2. On the My Grades page, you can view all your graded coursework. If your submission isn't graded yet, a Needs Grading icon appears.

View In-line Comments and Feedback

On the Review Submission History page, you can view your grade, rubrics, and overall feedback for the Assignment as well as any in-line comments from your instructor if you uploaded a supported file.

The screenshot shows a Blackboard interface. On the left, a document titled 'Taking a Test on Blackboard – Best Practices' is open. A comment from 'train38 ITL' dated '03/12/2019, 1:42 PM' is visible, stating 'Good sentence!'. The document content includes sections for 'Before the Test' and 'During the Test'. On the right, the 'Assignment Details' sidebar shows a grade of '95.00 /100' for the 'LAST GRADED ATTEMPT'. Below this, it shows an attempt on '3/12/19 1:16 PM' with a grade of '95.00 /100'. The submission is a file named 'BbStudentTestingGoodPractices.pdf'. A 'Comments' section shows a 'Feedback to Learner' comment from '3/12/19 1:19 PM' that says 'Great improvement!'. At the bottom of the sidebar, there are buttons for 'Save As Artifact' and 'OK', and a dropdown menu with options for 'Download Original File' and 'Download Annotated PDF'.
